
The Reddings & District Community Association

The Community Centre, North Road West, The Reddings, Cheltenham. Glos. GL51 6RF
(Charity Registration No. 266092)

Statement by the Trustees of the Association 16th September 2020

Following the cancellation of the AGM originally set for 9th April due to Covid-19 and the following attempts to call the meeting in September under the 2.00m Social Distancing Rule, further changes under the Six Max. Rule has made it impossible to determine when the AGM can be held.

Under these conditions the Trustees have determined to postpone the AGM until the next natural timescale the AGM would be held which is in March/April 2021.
